S.T.A.R.T. TO HOST HEARING IN SOUTH HOLLAND REGARDING THE PROSOED CN ACQUISITION OF THE EJ&E

Honorary Co-Chair
Congressman

We at S.T.A.R.T. are disappointed that the STB has chosen not to host a hearing in one of the suburban area communities that would benefit from the CN-EJ&E transaction. The residents of the region who are positively affected by this transaction have not been given the same convenient opportunity to have their voices heard.

S.T.A.R.T. is hosting our own hearing at the Community Center in South Holland on September 10, 2008 from 5-8 P.M. to provide residents with a convenient location to voice their support for the transaction. Residents will be able to fill out official STB Comment Cards, write letters of support, and have their comments recorded and sent to the STB.
